
How to get here
From the Airport to Rua do Padre Laurindo

Driving time:
Approximately 20 minutes / distance 20 kilometres

Route:
Take the VR1 (Via Rapida) towards Funchal and follow the VR1 for about 16 kilometres. Leave the VR1 at junction 12 "Centro Funchal". Take care – the exit is very narrow. At the traffic lights, turn left and follow the left lane straight into the tunnel. Follow the "Rua da Ribeira de João Gomes" for 2.5 kilometres. On the right you can see the fire station – keep to the left lane.

At the third set of traffic lights turn left and make a U-turn.

At the next traffic lights turn into the „Rua Conde Carvalhal" and follow the road across the roundabout into the "Avenida Santiago Menor".

Take the fourth right after the roundabout, into "Rua do Acciaolli" and follow the road downhill.

After 100 meters turn left into "Rua do Padre Laurindo". The Quinta B is the third house on the left. You can stop and wait directly in front of the garage doors.

Parking
Unfortunately the Quinta B guesthouse does not have its own parking area. In front of Quinta B's garages two guests' cars can wait briefly. We recommend using the multi-storey car park on the "Rua Bela São Tiago" 150 meters away for long term parking.

Or use the free parking in the area around the Quinta B.
